

The TiE International Startup Competition is a 2 track competition in which teams can choose either the Rice University Track or the Investor Track. Those who choose the Rice Track must meet additional eligibility requirements including having at least two student team members on their team, one a graduate level student.

Chapters produce 2-4 winning teams from local business plan competition. A Minimum of 1 team for the Rice Track, Excluding US Chapters and 1-3 teams for the Investor Track.

Winning teams from each participating chapter compete at a Regional Final either in front of the Investor Panel or Rice Judging Panel.

Winners of TISC Asia Regionals will receive the following benefits and awards

#### **1. Investor Track:**

The Winning team from TISC Asia is awarded the following :

1. A Free trip to Silicon Valley, USA
2. All expenses paid (flights, hotel, meals)
